

JULY

SWIMMER OF THE MONTH

LEVEL 2 SQUAD: CAMERON

Cameron joined Aquazone a bit later than most, so he had to put in a bit of extra work to get his stroke technique and fitness up to scratch. Cameron did just that, with hard work and commitment to his training, Cam has blown us coaches away with how much he has improved. Well Done Cam on being chosen as our Level 2 Squad swimmer of the month!

LEARN TO SWIM GROUP: TYLA

Tyla started her swimming journey as a very nervous little girl. It took her so long to develop a love for the water, but when she did, she started flying through her skills! Tyla now loves to come to swimming and is showing such amazing progress that she simply had to be chosen as our LTS Swimmer Of The Month!

BABY SWIMMING GROUP: TWINS GEORGINA & OLIVIA

These little girls are becoming little mermaids! Georgina and Olivia Hough are currently in our Baby Swimming Program and literally become stronger swimmers at every lesson. Watching these girls laugh and giggle and try everything they're asked to try, is such a treat for a teacher! Well done Olivia and Georgina on being our Baby Swimmers Of The Month!
