## SWIMMER OF THE MONTH

---

### LEARN TO SWIM GROUP: KELLAN

Kellan has just turned four years old. Kellan's sudden progress has been a turning point for his swimming. He has started his stroke work and has caught on so quickly. He can swim 10 meters with ease and no assistance. His confidence has grown in leaps and bounds which has instilled a great love and enthusiasm for swimming. Well done Kellan we are very proud of you.

### AND: ZOEY

Zoey has been so scared to put her face under the water for so long, but we persevered and slowly showed her that going underwater can be so fun! She has become so brave that just this week she swam to the wall all on her own, with no help from teacher Abi or a floatation device! Well done, Zoey!

### LEVEL 2 SQUAD: MADISON

Madi has battled with knee problems for a while and for a couple of months could not use her legs in the pool at all; Determined to continue swimming she completed 1 hour pull sessions, never lacking in attendance. Madi is slowly introducing the kick back into her swimming and is looking stronger than ever. I am so proud of her commitment and perseverance; she is an inspiration to her team mates.
